◄ With the 2015 Ford Fusion line having actually included
third four-cylinder variation direct-injected and turbo-
charged EcoBoost engine for 2014, we'd like to see the
tomaker drop the standard 2.5-liter 175-horsepower
four-cylinder engine that was carried over from the pre
generation.

At that, with the 1.5 included for 2014, it's challenging t
justify additionally offering a 1.6-liter EcoBoost with a c
